

Guidelines

Habitat for Humanity of Mason County is a Faith-Based housing ministry financed through private donations, grant funding and support from our retail stores. We build homes with, and sell to, families who could not otherwise afford a home. Homeowners must be able and willing to pay an affordable mortgage. Mortgage payments are cycled back into the community to help build additional Habitat Homes.

1. **To qualify, you must have a housing need.** For example, inadequate plumbing and/or heating, leaky roof, overcrowding (3 or more to a bedroom), unsafe or unsanitary conditions.
2. **MUST be a current resident of Mason County for at least one year.**
3. **Have a steady gross income of 30-80% of the current median income for Mason County** based on the income grid generated by the HUD (United States Department of Housing and Urban Development). Verification of income, personal and credit references will be completed by a lender through Homesight.
4. **After approval by the Family Selection Committee,** you must work with Homesight to receive a mortgage preapproval letter that you will submit to our office. Please notify Homesight that you are working with Habitat for Humanity of Mason County.
5. **Be willing to partner with Habitat for Humanity** in building your home, be a good steward of your home, and continue to work with Habitat for Humanity of Mason County in helping others become homeowners.
6. **If approved by the Family Selection Committee and Board of Directors for a Habitat for Humanity of Mason County home,** you must be willing to participate in programs to learn budgeting, home maintenance and other related topics.
7. **If approved by the Family Selection Committee and Board of Directors for a Habitat for Humanity of Mason County home,** you must work 350 – 400 hours of sweat equity. Fifty (50) hours must be performed before construction of your home begins. At least 150-200 hours must be performed by the Homeowners. The remaining hours may be done by friends, other family members and volunteers. You will need to contribute \$2,000 to closing cost.
8. **If you meet all of the requirements and are approved by the Family Selection Committee and Board of Directors,** we will sell you a home at fair market value. Mortgage payments are matched to your income and include insurance and property taxes. Property tax and insurance increases will increase monthly payments in future years.
9. **Applicants must not have any real estate ownership and bankruptcies must have been discharged for at least four (4) years.**
